*A Word from Your
President*

-
Mr. Greg Franda

I hope everyone had a wonderful and joyous Christmas season. And I hope the new year bring improvements in both your personal and professional life. If you are looking for New Year resolutions, I can suggest a couple - attend your IMA chapter meetings and volunteer on the chapter Board of Directors. Increase your involvement with IMA and help the chapter get even better!

We held a lunch meeting in December and got good information on meeting retirement challenges. Our January meeting will be the normal dinner meeting and will be held at The Marq in De Pere. Chris Mehring from the Wisconsin Timber Rattlers will give us information into the business challenges of a minor league baseball team. We may even gain a little insight into the upcoming season for both the Timber Rattlers and the Milwaukee Brewers.

We still have our promotion to increase meeting attendance. A Chapter member can bring a first time guest and the total cost will be \$30 for the 2 of you instead of \$20 each. Invite a friend, network with other members and enjoy the activities. We are also looking for members interested in joining the Board of Directors for the 2013-2014 year. The time commitment is small and your contribution will be huge helping provide great programs for all members. Contact myself or any board member to join in improving your chapter.

Congratulations!!
